Leadership Class was designed to teach students to become good leaders. Students in the class not only do service for the school, but they also work outside in the community. The class has painted signs, maintained the activity Calendar in the front hall, and organized many activities to increase school spirit. This year the class raised enough money to purchase, wrap and deliver Christmas gifts to a needy family!

Art Class

Students in all grades take the art classes taught by Mr. Rowe. Each student enters the world of art by learning new ways to be creative and expand their minds. They learn different techniques to create innovative and entertaining designs for everone to enjoy. The following pictures are examples of the work that some young artists composed in Mr. Rowe's classes.

Everyone knows a school wouldn't be complete without a band, and CHS is no exception. In the fall the Carrollton band puts on their marching uniforms to play at the **football games** and the **homecoming parade.** They also participate in the Millet Centers **Octoberfest.** In the winter they put on their dressy concert uniforms for the **Winter Concert.** The spring brings the **Super Concert**, the two day **Band Festival** and the **Spring Concert.** The band will be celebrating Mr. Lichau's 25th year here at Carrollton by performing their Spring Concert at the Temple Theater.

The Band practices to get a half time routine just right for a football game

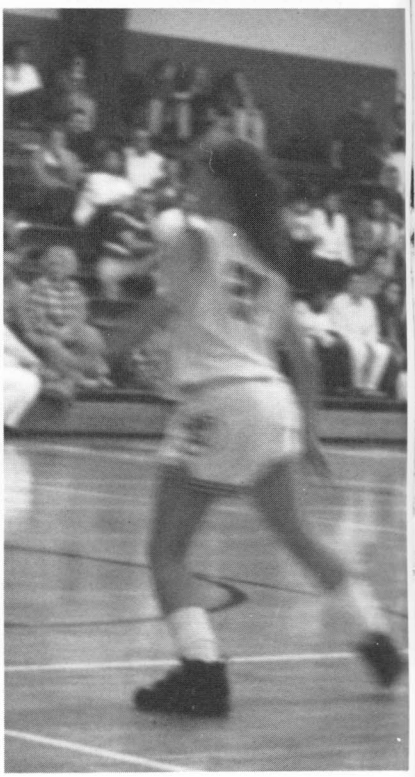
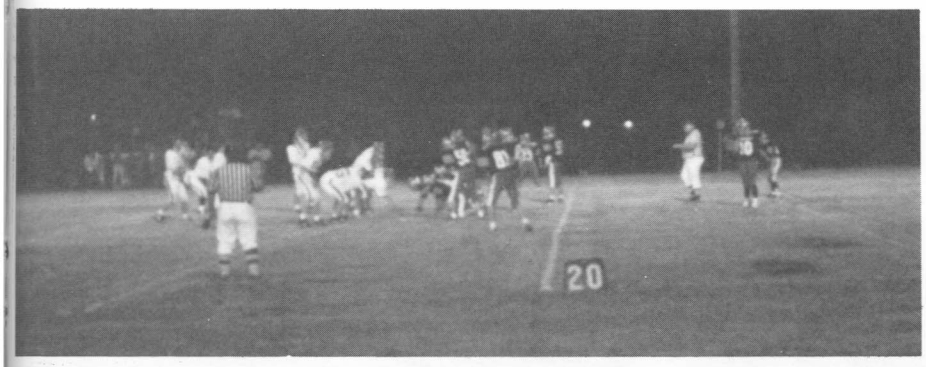
Here's the Lady Cavs in action rolling to a win over the Lancers.

This year's 1994 Junior Varsity Basketball team may not have had a lot of wins, but what they lost they made up for in heart. They ended their season 4-16 and though they may not have had a great season, they tried hard and gave it their all. Congratulations J.V. for playing so hard and giving it your best!

Sarah Fechter's offense helps the Junior Varsity defeat Bullock Creek 45-25.





The mighty Cavalier defense tries to stop the bite of the St. Charles Bulldog's offense. Cavaliers shut down the Bulldog attack using speed instead of power.

The 1994 J. V. Football Team boasted a 6 - 3 season record, the best season for a j. v. squad in recent memory. Under the coaching of Jerome Scott, Ray Shaver , and Brian Ball, the J. V. Cavs had a great start, winning their first four games and running past everyone that got in their way, instead of rolling over everyone like a big football would. The biggest asset for the J. V. Cavs was speed, but that doesn't mean they don't have any power. Often opponents would mistake the Cavs for a weak team and then get blown away.

" Our season was a learning experience for all of us. We learned a lot of stuff that will help us on varsity next year."
